Hospice of Kona

The Banyan

A life that touches others goes on forever

June 2010

On May 23rd Hospice of Kona was honored to participate in a Project Compassion event at Denny's. The funds raised will help support our Camp Erin-Hawaii grief camp designed for children ages 5 -17 who have experienced the loss of a family member or friend. Thank you to all of our supporters who came out to join us and a big Mahalo to all the volunteers who hosted and served. Thank you also to Alex and Lauren who appeared in character and brought smiles to many faces throughout the evening.

Mahalo to our sponsors

Project Compassion is a partnership between Denny's Restaurant, The Rotary Club of Kona, and local charities to provide financial support to non-profit organizations working in our community.

This July, 55 of Hospice of Kona's specially- trained volunteers will welcome 50 children to Camp Erin-Hawaii; a high-energy camp combining traditional camp activities with grief education and emotional support.

Thank you to Island Lava Java Grill for providing pizza to our patients and families
